Dear XXXTREME: Whoa, dude, your mag always totally blows my mind. Like I totally dig looking at pics of naked chicks getting fucked and doing a number on themselves, but you totally take it one step further. Those articles with the girls on the set of the pornos they're shooting? They make me feel like I'm privy to some real insider shit, you know? And if I can't be inside her, I may as well be an insider, you know? It's like when I read those articles I learn the secret goings on in the mind of a porn chick and, let me tell you this—it's a total turn on. Definitely keep up the good work, dudes!—*Lew in CA*

XXXTREME: I know your whole M.O. is to go above and beyond, so I've got a few suggestions for ya. I'd love to see some of those porn hos fuck each other in a barn. Like maybe three of 'em having one great big gash bash and can one be Sasha Grey, please? I love seeing that one covered in muck. Anyways my thought is this: you could have 'em all in a pig pen and maybe wearing pig noses and they

can be fucking and sucking each other right there on the dirty ground and getting all muddy and have straw sticking to them and stuff. But by contrast their naughty bits would be all pink and wet and glossy and clean. Do you see where I'm going with this? It would be so fucking deviant hot, like real nasty dirty. They could just rut the day away. What do you think?—*Bobby in PA*

Dear FOX XXXTREME: I have a fantasy in my head that I have not ever seen in pictorial form. I would give my left nut (because it's a tad smaller than my right) to see full color high-def photographs of women of different ethnic backgrounds fuck each other in one beautiful Technicolor pile. Like a black girl, a white girl (a blonde, of course), an Asian girl, a Latina and maybe even an Indian girl. Like India Indian. Like wasn't there some hot Indian babe with huge tits making dirty movies? Priya Rai? Definitely include her. Have them all fuck in a super plain setting like a giant king sized bed with simple white sheets—nothing to distract from the main event which is the hot lesbian multi-ethnic action. I would love to see all of those different colored

pussies all lined up in a row, all wet and sloppy from being licked. I think that's a pretty good idea for a photo shoot myself and I am very sure it would have a wide appeal to your reading audience. You don't even have to put me on payroll or nothing.—*Jerry in Arlington, TX*

Dear XXXTREME: I have to say that when I first bought your magazine I just intended to have a quick jack-off session with it then toss it out. But to my surprise I found myself saving it, tucking it away in a secret spot so my cleaning lady wouldn't find it so I could reference it later. Those stories at the porn movies really amazed me, and I began to order some of the DVDs I saw featured in your mag based upon the awesomeness of the girls interviewed on the set. Who knew some of them had such killer personalities? That's not to say I wouldn't fuck a dumb girl given the opportunity but for some reason learning a girl has brains and then seeing her get those very brains fucked right out

27159

BELLADONNA

of her head really does it for me. Anyways, thanks for the good recommendations. I've really bolstered my porn collection thanks to you.—*Donald in WA*

Dear XXXTREME: Ever since I lost my job a few months ago I have found myself with way too much time on my hands. I've spent a lot of that extra

free time (maybe too much of it, if I say so myself) jerking off, but when a man has THAT much time on his hands his fantasies can have a tendency of running out on him. That's what inspired me to pick up a copy of FOX XXXTREME from the shelves from my local dirty mag shop. It sure looked different than the others somehow and I will be darned if it wasn't different. Just what I was looking for in fact! Now my days are filled with endless orgasms and life is good again. Not really, what I really want is a job but XXXTREME sure has made my time without one easier to bear. Thanks.—*J. in IA via email*

DIRECTOR: PORNO DAN

SLUTS AND PUPPETS:

KRISSY LYNN, CASSIDY LYNN,

RALPH LONG, PORNO DAN

27528

Everyone loves Mormon pussy. Mormons really like to bang and breed like crazy, especially under spiritual supervision. They're horny as hell. Some have lost their faith, or never really had it in the first place, and end up in porno because that's just the way this shit works. In fact, Utah has the highest porn download average in our vast, perverted country. Look it up.

Today is "Titterific Tuesday," a very special day at the Immoral Studios Pornography Sensitivity Spa & Sexual Therapy Space, because Porno Dan has brought in two nice girls direct from Kerns, Utah to blow and tit-fuck both him and Ralph Long. Dan and partner Jim Powers are here to help people realize themselves and their dreams via the stretching of erotic boundaries. Just ask them and they'll tell you all about it. The emphasis is on traditional family values, of course, and that's especially so today because the two girls are real-life Mormon sisters! You have got to be fucking kidding me!!!

No, this is the real thing. I'm pushing down my boner already. Krissy and Cassidy Lynn are forthcoming about their formative years, ones of discovery and experimentation...and learning about banging out the neighborhood boys. Ours is a great country and Utah is a great state.

KRISSY: I'm the blonde one and I am twenty-five.
CASSIDY: I'm twenty-seven, barely.
She has to add in "barely."
Shut-up! you'll see in a couple of years.
Our family grew up Mormon. We went to church but not as much as other families did. I think our family was a little more lenient and gave us a choice.
I'm rebelling, she's just like, "yeah, I'm not in it."
Me? I am actually an anti-Mormon activist.
I like them.

CASSIDY: When we have family reunion get-togethers everyone is very modest. A lot of them don't drink, a lot are very strict to the point they don't drink caffeine.
KRISSEY: We show up wearing tank tops with a six pack of beer.
We show up wearing tank tops and miniskirts.
Everybody is like, "Oh, they're here! Good to see ya!"
They love us no matter what.
We mostly like to fuck with our grandma.

I am into this set-up. A LOT! *Titterific* is shot live on the internet at six p.m. Pacific. This is custom, tailored porno entertainment during convenient hours to fit your busy lifestyle. Porno Dan introduces the girls to the online audience and it's time to get down to business. Amidst much screaming and laughter The Lynn sisters rip off Ralph Long's t-shirt and spread pudding on his unit. They trade off giving head and then Dan jumps in and kicks it up a notch, introducing a can of whipped cream that Krissy sprays in a pattern on her sister's rack. Ralph gets head from Krissy while he licks off the whipped cream. Then Cassidy Lynn writes "FUCK ME" with chocolate syrup on her sister's ass. The Lynn sisters work well together. Oh my, such a sugary, creamy mess!

KRISSY: One time I was dating a guy and she kind of stole him.

CASSIDY: What? Who, Bo?

No, Mike Johnson.

I didn't steal him, I never even dated him. He just wouldn't stop following me around.

You kissed him. We respected each others boundaries, for the most part. I remember one time she brought home one of her boyfriends and I think I was sleeping in her room and I was too lazy to get up so she's just like, "DON'T LOOK!" Sometimes she'd be like, "I'll give you cigarettes if you'll let me fuck in your room."

She used to steal my cigarettes, so I would give them to her without her getting mad or anything if she'd let me have sex in her room. Then she'd get mad and say it smells like pussy in there.

As we got older I think we got a little more comfortable with it. I'm a swinger and brought her to one of my parties and she had fun. We all went back to the same hotel room, me and my guy, her and her guy. I was just sleeping and she was having fun. That's when I learned what a dirty talker she is. But that's OK. She's good for the business.

KRISSY: Before I got into porn I was doing what I call baby steps. Hooters was my gateway drug. I was showing off a little bit of skin, flirting with customers, that was my first baby step. My second was—remember this was all in Salt Lake City—working at a strip club where there are no lap dances. You just wear pasties and a thong. My third was moving to Vegas and giving real lap dances. After that I became a swinger with my husband. That's when we finally met this porn couple from Europe. I met them at the sex club in Vegas, The Green Door, and they were amazing in bed. They hooked me up with L.A. Direct Models. The transition to porn I didn't even notice because I was like, "Hey, I'm already doing it." Since then I've done over 100 scenes. Really thick cocks make me squirt really easy. I think it feels great when I squirt. Some production companies don't like it, some do. It feels good but I don't need a guy that's any bigger than six inches because my vaginal canal is no longer than five-and-a-half or six inches. I love gangbangs. I love orgies too.

CASSIDY: I only like two of my toys out of the 20 that I own and they're the ones that feel like a real penis. I don't like the hard plastic, but then there's my fingers too. One of the ones I use vibrates and the other is a fake synthetic penis. It's a rush doing sexual things to guys with my sister. It's a rush, it's a turn-on because I know guys are sitting there thinking, "OOH...SISTERS!" I don't have sexual feelings for my sister. It's like we're doing the guys, we're going to tease them and we're going to get them.

CASSIDY: You're just jealous because I have inverted nipples and you don't. *[To Ralph]* Take your pants off but leave your socks on. You have nice thighs. Fans out there, I want you to know that I have a thigh fetish. But leave your socks on because I have a sock fetish too!
KRISSY: It tastes like dong. Sour apple dong.

CASSIDY: I don't like guys with really, really big cocks. I like average to large because I like it when it can move around in there. I love getting done doggie style. I think it's because it's the way it goes in. You have that G-Spot that's right up at the top right there and it hits it just right. Something intense and wild will make me cum. I like it rough. The energy between the two people doing it together, that makes it more intense, the pounding and the grabbing at each other. Everything. I've only done anal with one person. I like it when it's done very slowly. If you just pop it in there it hurts. But if it's done very slowly and works its way in, that actually works you up for the whole experience and after that I am good to go!

Dan brings in a bucket of soapy water and a sponge to clean the girls off before the money shots. Cleanliness is next to godliness, and, in this case, is way less sticky. Both dudes blow loads on the Lynn Sisters' excellent racks. Then Dan checks the computer.

"I love you guys!" he screams. "People are begging to bring you back, so I think we will!"

Sister acts that go the extra mile have always been show business gold. It's easy to embrace siblings who have honed their performance skills through years of practice at home. Especially when they don't suck or, in this case, when they do. Holy shit. I get it now! 🐱

ASHLEY BLUE & JESSI PALMER

Ashley is a boner fide bad girl whose favorite pastime is luring innocent young ladies into her lair and putting them through some seriously intense sexual paces. This time around Ashley happened upon Jessi, a sweet li'l slip of a thing who seems to be the very embodiment of fragile innocence. Perfect! Mistress Blue wastes no time showing Miss Palmer the sort of stuff she's in for by giving those perfectly pink pearl niplettes a sound tweak. What Ashley does not realize, however, is that hidden beneath Jessi's cute exterior lies the heart of a freak, so the weirder Ashley gets, all the more wet gets Jessi's juice box. By the time Ashley is inserting the anal beads, Jessi has cum so many times she's a bit dizzy. That's when Ashley finally realizes that she hasn't found herself a fledgling to fuck but a doozy of a floozy with a voracious appetite for deviant sex. Looks like the start of a beautiful friendship. **PHOTOGRAPHY BY DAVE NAZ**

The blowbang is porno theatre at its most elaborate. There is of course no actual banging taking place. The blowbang is all about the glory and pageantry of several dudes delivering loads onto a young lady's face. There is a beauty and cultural resonance to sexual acts that are committed without reproductive imperative. No pregnancies will take place as a result of today's blowbang. This is a circus of sex, a spectacle of ejaculative face glazing that is performed for entertainment purposes only.

PRAISE THE LOAD 5

MIKE JOHN PRODUCTIONS www.mikejohnpov.com

DIRECTED BY:

MIKE JOHN AND TIM VON SWINE

SLUT AND PUPPETS:

CLAIRE ROBBINS, MUCHO MOPES

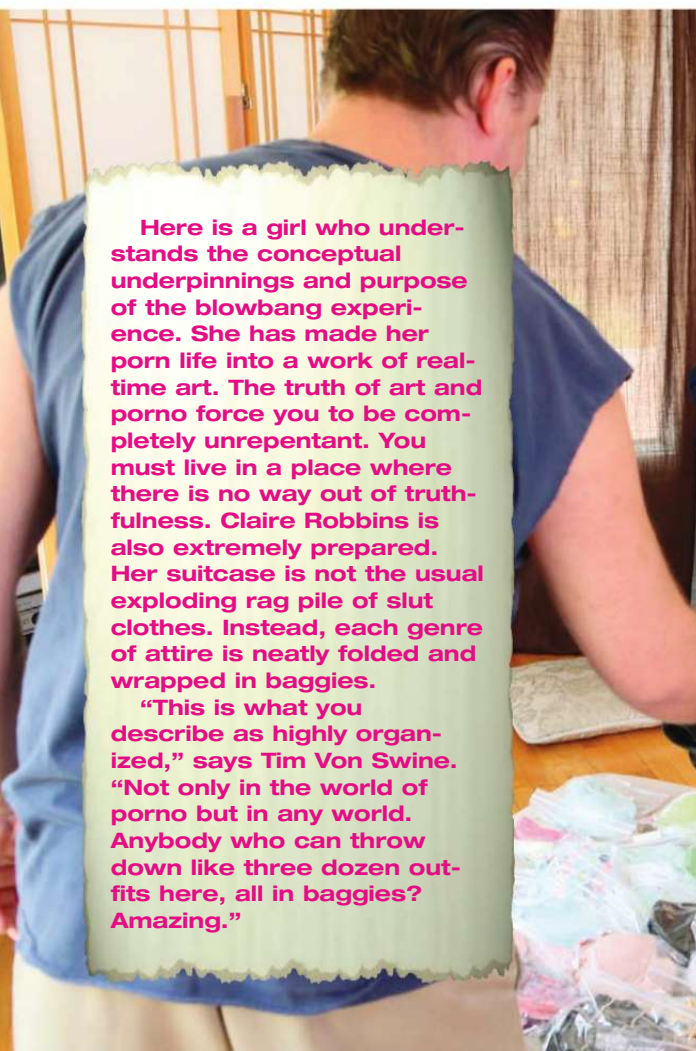

27531

Claire Robbins is winding up her porn career after five years in the trenches. Unless plans change this could be her last official, on-camera blowbang. She wants to move to New York and continue her art school education. Over the years Claire has been down for pretty much anything and has delivered the porn goods, over and over again. She feels and comprehends the strange beauty of the blowbang.

"They are lots of fun," she says. "I don't know how to explain it. It's kind of surreal almost. You don't even know what to concentrate on because there are like a million cocks in your face. It's almost like a really rad dream. I'm pro-cock. Not a cum dodger. A lady always swallows. A blowbang is a lot of fun and it's definitely nothing you would ever experience in real life. It's good to have the experience of a million cocks wagging in your face."

Here is a girl who understands the conceptual underpinnings and purpose of the blowbang experience. She has made her porn life into a work of real-time art. The truth of art and porno force you to be completely unrepentant. You must live in a place where there is no way out of truthfulness. Claire Robbins is also extremely prepared. Her suitcase is not the usual exploding rag pile of slut clothes. Instead, each genre of attire is neatly folded and wrapped in baggies.

"This is what you describe as highly organized," says Tim Von Swine. "Not only in the world of porno but in any world. Anybody who can throw down like three dozen outfits here, all in baggies? Amazing."

Mike John is out of the country so Von Swine will shoot this scene alone. The load providers have arrived. Once they're all present and accounted for, it's time to move. Swine delivers a pre-scene soliloquy.

"I'll let Mark go first because he likes to eat pussy," he says with the camera trained on Claire. "I don't think he'll mind. Then he'll get blown and I'll bring in a second guy. We'll just stack it that way and blowbang it. You can go upside down and do the teabag thing for a while. You've been there and can handle it. Then maybe we'll finish with the King's Chair. It'll be a good time. We'll take a break for photos then everyone will jerk on your face. Then we'll put Visine in your eyes and you'll rinse off and then it's our turn once again."

CLAIRE ROBBINS: I'm twenty-four and from Portland, Oregon. After high school I didn't really want to do anything so I kind of hung out and did nothing for a while. When I was nineteen I got really tired of doing nothing so I moved down here to do porn. I got a whim so I did it. I guess I was a sexual freak. I really liked older guys so I would prowler the campus of Portland State. I definitely did a number on a lot of older guys. I was more attracted to them because the younger guys were like little boys to me. I just don't find that attractive.

CLAIRE: One of my favorite phrases is "I'll try anything twice." If someone brought something up sexually I would definitely try it out. I really liked anal before I started porn. Most people don't do it until they are in porn. When I started porn I was used to doing whoever was willing and able, which is a whole gamut of people, really. My perception of what a large dick is went haywire. What I used to think was large is now medium or standard. My perception of a big dick is completely different now.

CLAIRE: I've learned my pussy is a very complex creature. Sometimes I can go all day and take a lot, but it's kind of weird, very fickle. I would say my pussy is medium sized and it has to be properly prepped to massively large things. It has before in the past...like extremely large dicks. Once there was this double-edged dildo thing that I just bought on a whim. I don't know why that went up there. It was intense, it was an experience. Things of a three to four inch diameter, it really takes some prepping to get there, start slow. I prep by just banging as much as humanly possible.

TIM VON SWINE: The "King's Chair" is one of the most noble acts in all of porno. You take the depravity of a blowbang and thrust back into those regal times when a man can sit back in a chair by himself and get blown. The king is in his chair with his dick in a very hot young girl's mouth all by himself. You kind of throw a blowbang in reverse. Everyone is still here and they're all getting a turn but they're not doing it all at once. In a blowbang everyone gets to sit in the King's Chair. It's matter and anti-matter coming together without a nuclear bomb going off. We're splitting molecules by sharing them at the same time.

Claire Robbins has been this way before. She is an instigator and a talented sperm receptacle. All parties activate chumley immediately upon cue. No waiting line. No cheeseballers. With her face holding five loads, Von Swine shoots the final video.

"Put your hands together," he says. "Yes! *PTL 5* is now finished. You are the show stopper, sweetie."

Claire towels off and heads for the shower. It's time for reflection. What has she learned in the last five years?

"Don't trust people who tell you to trust them," she says. "Also, don't loan anybody money. I didn't learn that myself but I learned it through other people. Also, for major life decisions? Get it in writing."

So there you have it. Perceptions from an individual who has been forced to draw conclusions, as we all do from time to time. I believe. Claire Robbins is different and special. She is one of a kind. Claire Robbins is an artist. 🐱

The Official
FRIDAY Parody

ZERO TOLERANCE www.zerotolerance.com

DIRECTOR: DAWAYNE DANE

SLUT AND PUPPET:

MELROSE FOXXX, NAT TURNER

27529

Porn parodies have become a big deal. Staking a claim on a TV show or feature film that is parody-worthy is a job in itself in the face of a virtual land rush by porn predators who are trying to appropriate desirable real estate before the next porn predator. Two parodies have even been released simultaneously, as in the case of *Jersey Shore*. The pursuit of filming people fucking that has become today's porn industry has always been driven by the Darwinistic code of the Wild West. There's no police force here to call you off. It's wide open...might as well take what you can when you can.

Black Ice director Dawayne Dane received the official call of the wild from Zero Tolerance.

"They brought us into the office and told us to shoot some parodies, right?" he says. "Because they are what's killin' right now. My man Tony Flush came up with an idea to do *Barbershop* but somebody beat him to the punch. I had the idea for *Friday* and luckily nobody had slept on that one yet. We also have a couple more in the works but we can't say the names because people will steal them. So they gave me the green light. I went ahead and wrote a script all by myself and made it all funny. I watched that movie like fifteen times and I had to change things. I didn't want any drug references because at Zero Tolerance WE CAN'T DO NO DRUGS!"

The original *Friday* is of course the saga of a day in the life of two characters (played by Ice Cube and Chris Tucker) trying to get \$200 to pay their dealer. Eliminating the violence and drugs from a parody of a movie in which the two major comedy motifs are gratuitous violence and drug references could not have been easy. What a bitch.

MELROSE FOXXX: I'm from New Orleans. I'm Creole. Nat Turner, who I'm doing the scene with today, we were friends and I got laid off of work at the Beverly Hills Hilton. The hotel was undergoing renovation and I had to pay rent and pay bills. I told Nat that I would do a scene with him, get the money and then be done. So I did the scene and then I thought, *Hmmm, this is not as bad as I thought...* It was actually fun, and it was good money, so I've been going with it ever since.

Nat Turner plays Deebo, whose violent character needed to be sanitized somehow. "Instead of doing all of the violence and thievery that Deebo did," says Dawayne, "he just walks around taking everybody's girl. In this scene he just pumped this guy for his girl and he picks up Melrose Foxxx and carries her away like a big mandingo warrior. He slams her down on the bed and just goes to town. I needed somebody big so I got Nat. He's the one who beats up everybody and fucks the most girls in the movie."

Nat and Melrose have banged it out "too many times to count," she says. "I met her at Friday's," says Nat. "I'll never forget it. She had a little French tote and pretty little shoes with her toes out. As I do anytime that I see a beautiful woman that I'm not intimidated by, I approached her. One thing led to another and she became Melrose Foxxx."

Melrose comes from a religious family and sports a large, full-color tattoo of Jesus on the cross on her upper right arm.

"Yeah, I'm doing scenes with Jesus right here on my arm," she says. "I have an awkward situation. My dad is a pastor and I'm the only girl. Only two of my brothers know. I have eight brothers so it's whenever they find out. I don't really plan on talking about it. If they find out I'll come clean but until then...I don't know. I was a reservation supervisor and that was about three years ago. It's been rolling pretty good for me."

Dane's ready to start shooting but Melrose wants to know what kind of fuck to put out.

"Am I supposed to be willing or like, *OH MY GOD!?*" she asks.

"You're willing because you want to fuck and you're just aggressive because that's just his mannerism," Dane answers. "He's like, *HERE! COME ON!*"

MELROSE: I'm a tomboy. I like dirt bike riding and jet skiing. I'm adventurous. I like vacations and I like shopping. I'm a girl. I guess I'm a regular girl outside of porn. No one would ever think I'm a porn star unless I tell them or they know who I am. Other than that they just think that I'm a down to earth girl. I've always been the same person that I am on film, it's just that nobody would ever know because my lifestyle is different. I love spontaneous sex and bondage. Nobody ever knows that. They never book me for scenes where it's really aggressive. They're my favorite scenes. I'm more dominant. Everybody thinks that it would be, like, the opposite until I'm on film and they're like, *WHOA! WHO ARE YOU?!* When I started doing porn it actually enhanced the freakiness because it gave me a reason to do everything I want to do...

MELROSE: Sometimes I like real aggressive sex and sometimes I like passionate lovemaking. It really depends on the person and my mood. Doing porn sex you have to have, like, certain angles and at home it's different. You can just freestyle and make it more intimate. It's not like, *There's a camera right behind me that has to see my face and my ass at the same time so I have to open up!* It took me a while to get used to having sex on camera. At first I was a little timid and shy, doing exactly what I needed to do and it was like acting. It wasn't natural. I could cum but I had to take myself somewhere mentally and really zone out so I could really get into it. But now I have a ball doing scenes. I'm in school now. I'm a psychology major but I really don't know where everything's going, so I'm playing it by ear for the time being.

Nat picks up Melrose and delivers her onto the bed for the alpha male bang-out. Dane shoots the scene through and when it's time for the money shot Turnher is barely able to hold onto his load. Melrose and Nat are friends in real life so it makes it that much easier. Like, too easy for porno. It works. 🐱

If you have a fetish for Japanese girls, Asa Akira delivers. Things get even better when she opens her mouth to speak because she is an easy hang. I'm in love. You're in love. We're all in love. She's here today to fuck Mark Wood. Director Sid Knox explains the attraction problem. "It's the stocking and high heel fetish thing," Knox says. "I try to find girls with nice legs and Asa's got them. She's my favorite but don't tell her I said that. I have a huge crush on her. You have to pick the girls you like, you know? She's a sweetheart and a great cook too!"

She's completed her pretty girl shots and is naked except for pink lace stockings. This is a perfect time to discuss Asa Akira's orgasms. Porn girls usually tell you all about them because sexuality is their currency. Exceptional, highly-intelligent sperm receptacles are even more in touch with what drives their libidos. Oh my fucking god I can't get enough of this information!

"I cum really easily and it's always been like that," she says, "If I'm masturbating I can cum in two seconds and like a million times. I have a Magic Wand and it is pretty much the only toy I use in my personal life. I'm more, like, if the mood strikes me to masturbate I'd rather just do it there and then instead of going to the drawer, getting my toy, lay back down and so on."

I'm one lazy motherfucker and I understand her thinking. When the train starts to roll, the last thing you want to do is jump off, for any reason. Just like a massively catastrophic oil spill, the female orgasm has many depths and phases that may or may not be obvious to the observant eye. As always, so much takes place below the surface.

"No matter who I'm having sex with I feel like I'm totally in control of my orgasm," she continues. "If I want to cum I can and if I don't want to, I won't. I can cum so easily during scenes and fucking in front of people will just add to it."

That works. Banging it out while other people are watching makes Asa even more excited. This is the girl you want in your porn movie.

ASA AKIRA: I am 100% Japanese, born and raised in New York City but I did live in Tokyo from six until thirteen. I'm fluent in Japanese, it's what we speak at home. I hardly have an accent because I always went to an American school. I'm twenty-four. My first job out of high school I worked at an underground poker club, and then I got married. I became a dominatrix and I did that for a year. I started stripping. Then I got divorced. Then I moved to Florida to do a radio show called "Bubba the Love Sponge" for a year. Then I came out to California to do porn a little over a year ago. I think my personal life was wildly more sexual before I got into porn because when I lived in New York I definitely had a lot of fuck buddies and that whole thing. Now that I'm in porn I feel that I get my fix at work. I really don't have fuck buddies now.

ASA: Pretty much everything gets me off. It's whatever gets the other person off. I think I'm naturally submissive in that way. I really just like to please and whatever they like for that moment is what I like. Being in porn is my ultimate fantasy. The exhibitionism really does it for me. When I was a dominatrix it was a total power trip. I feel like it made me a lot less judgmental. ...I like girls but I haven't been with girls since I've been in porn because I'm getting enough girl action and I'm more into guys. It's like 80/20, but I like sex with girls. I'm totally into three ways, four is pushing it. I like two guys and me. In my personal life I've only done that once and that's probably why I like it. I don't do anal. And I'm not going to do DP. In my personal life I've done anal with one person. I feel like it's special and it is something I should save for my personal life. It's risky as far as STDs go and so many things can go wrong. ...I feel like my pussy stretches out pretty wide but if I don't have sex for a few days it will shut right back up. I work about four to five times a week and it's not always boy/girl. Maybe two or three of those are boy/girl sex. ...I got into porn because I've always wanted to do it. I feel like I always secretly wanted to do it, even in middle school. I would listen to Howard Stern and I felt like it was such a cool thing to me.

Asa's clear voice and penchant for linear thought indicate a state of extreme physical health. Knox shoots the BJ on a staircase with no breaks because the sexual activity is very optimistic and directed. The entire interlude is blasted through in about 30 minutes. Knox tells them to change positions because he's gotten the coverage he needs, not because they need to get this thing over with. He instructs Wood to blow load on her feet and platform shoes.

ASA: I've never done sex in public. That isn't a turn on to me. I feel like if they don't want to see it then I don't want to do it. If it's in public, who knows who wants to see it and who is appalled? If I'm doing it in porn everyone that sees it wants to see it. I like that. Back in New York, I feel that the people close to me aren't that surprised. It's something I've been open about for a while. I thought about it for a while too before actually getting into it. My dad is a photographer and my mom owns a not-for-profit thing, so they both are pretty liberal, they know and are pretty cool about it. They're happy I'm happy. Japan is weird, like, they are super-perverted and yet closeted about it. They're not necessarily progressive but are definitely out there.

Asa towels the jizz off her feet and heads for the shower, saying that she came a few times. The usual questions arise. Is she a faker? Is she a fake faker? You get cynical about this shit after a while. Like fucking on a staircase is so comfortable that the gentle, temperamental flower of the female orgasm blooms at will under adverse conditions.

"I don't know," she says simply. "If I think about it I can totally do it. I do feel really lucky for that. Like I could just hump a sofa and cum, you know?"

For some crazy reason I believe her. Some people just have your number automatically without even trying. You're sold on them because they naturally bring you in. You can't say no.

BROOKE BELLE

Brooke is the type of girl who is open to trying new things, especially if the "things" in questions are cocks. Or kinda cock-shaped, at least. She stacked, she's sexy and she just can't seem to get her fill of fucking—if there is ever an election held to determine who should hold the title of Perfect Woman she'd be candidate Number One. Just watch how she works her way around that whisker box wand, she handles that bad boy with slutty style and amazing grace. First she fits it down her throat so deep that Linda Lovelace would beam with pride (if only she could.) Next she nestles it in between those magic orbs while continuing to douse the tip with drool. Finally she sinks it into her sticky bun, sliding it out and thrusting it back in until she's honeyed the whole mighty length of it. Now THAT'S how to do a dildo!

PORNSTAR SUPERHEROES

ELEGANT ANGEL

RUNNING TIME: 220 minutes

DIRECTORS: William H., Graham Travis

SLUTS: Asa Akira, Sadie West, Tory Black and Kristina Rose

Porn insiders have long suspected the existence of secret German eugenics experiments dating back to the Third Reich, resulting in the creation of hyper-sexual beings of extraordinary powers. How else, for instance, do we explain the voracious carnal omnivore Annette Schwarz, or the priapic overdrive of a Steve Holmes? Though it is only a movie, *Pornstar Superheroes* offers compelling evidence that these theories are real.

In today's Los Angeles, a team of genetic mutants runs free, lurking under the fabric of everyday reality. Rod Fontana is a hardshell dick assigned with the task of bringing them to heel. But he proves ill-equipped to tackle the formidable gang of four as it wreaks havoc across the dystopian playground. This team of bad-ass bitches each has a unique attribute designed to turn men to mush. Tori Black (The Silhouette) is a ninja in a black cat suit, materializing out of thin air. Asa Akira (The Dragon Belle) is the Japanese school-girl who totes a mace on a long chain—all the better to fuck your shit up. Kristina Rose (The Telekinetic) escapes from a padded cell to bend reality to her brain waves. And Sadie West (The Renegade) not only parades her sweet ass to the drooling delight of drunken rednecks, she possesses hypnotic powers of suggestion that prove devastating when unleashed.

Something of a mash-up of *Kill Bill*, *Kick-Ass* and *Crank*, this slickly engineered skinflick may be the most polished effort ever released by Elegant Angel. The dramatic set-ups that precede the fuck scenes have a comic, 1960s *Batman* vibe without aiming at totally simplistic parody. Dialogue is kept to a minimum. For instance:

84

Thug Whose Sorry Ass Is

About to Get Clobbered #1: "Big weapon for a little girl."

Asa Akira (aka The Dragon Belle): "I like em big."

Soon enough, Akira does her dirty work and gets down to even dirtier: a bar stool bang out with Mick Blue in a Valley strip club. For all the elaborate staging, the sex scenes themselves are pretty straightforward, the kind of super solid one-on-one encounters that are a strength of *Elegant's* best lines. Unlike regular feature porn that mostly wastes your time, the "narrative" sequences really do work as cultivated tease, allowing the wankers at home to enjoy the characters embodied by each girl (and the outfits) as they shift into high hormonal gear. Besides Akira, there's Black in her appropriately black skintight costume, seducing Michael Stefano with her buttthole behind bars; Rose, rocking some kind of Nehru-collared white tracksuit, boning down with Anthony Rosano; and the scrumptious, possibly mad Miss West, traipsing about in an ass-exposing mini-skirt, giving Manuel Ferrara the drool job of the decade. In the end, there's a mysterious journey to Mexico and an encounter with...Steve Holmes! Thus proving the whole German genetics story, as Akira and Rose satisfy the insatiable European, if only for a fleeting moment. A rooftop coda unspools further details, and sets up a sequel—surely one of the few in gonzo that have ever had any consequence. There's a lot of tongue-in-cheek wit here for the thinking onanist who likes a little *Bourne Supremacy* to go with the butt-bonking. Maybe this spirited quartet of über-sluts can yet save porn from boredom.—*Bat Canard* 🦆

POV JUNKIE

**VOUYER UNLEASHED/
JULES JORDAN VIDEO**

RUNNING TIME: 181 minutes

DIRECTOR: Vince Vouyer

SLUTS: Kristina Rose, Madison Parker, Vicki Chase, Codi Bryant, Eva Ellington, Bella Blaze, Kita Zen and Halie James

Every day is just another day in paradise when you're Vince Vouyer...unleashed. We're not sure who he left holding the chain, but in *POV Junkie* it's the ladies who assume the position as the veteran porn shooter's service animals. This intimate interlude opens with the dude stumbling around his pad, camera in hand, trying to take a piss and make some coffee (probably easier to do if you aren't toting an HD rig, huh?). But try as he might to kick start his day, Vinny has a hard time. We mean, really hard. There, snuggled up in his bed, with the sheets slid aside to expose her perfect little ass, lies Vicky Chase. The cute little Mexicana encourages one of porn's most successful businessmen to set work aside for awhile and fuck the shit out of her. Which he does. But, see, for him this is work. Doesn't your life suck now?

Maybe it wouldn't if Hungarian harlot Madison Parker dropped by. The slender, glamorous Brunette gives the Vinster full access to the most profound reaches of her windpipe, her fur funnel and her shit chute, opening up every hole to its most accommodating diameter. Busty Codi Bryant takes his cock to the dark side, and shows him why, in the immortal words of Mick Jagger, "black girls just wanna get fucked all night." Funbag coquette Bella Blaze struts around in black latex bondage garb, showing off her DD cups and making nasty suggestions with her mouth. Soon, she can't talk at all. Her breath has been taken

away and replaced with a throbbing cock. Think those big tits will stay dry? No chance. Vouyer makes sure they get his special skin moistening treatment.

Action like this could probably go on forever. Vouyer has done well for himself in a shady business full of backstabbers and rip-off artists. And, in fact, since he has triumphed over evil, he rewards himself with one POV scene after another. They aren't limited to the main feature, which peaks in a fabulously fun and slutty display by cover girl Kristina Rose, who doesn't hesitate to surrender her ass to her employer. There's lots more in the bonus section, including a stellar BJ scene with Eva Ellington, a pretty Florida girl with healthy hooters and a killer deep throat technique. The pre-suck flirtation is good stuff, and the race to the finish is bracing. There's no fucking around on Vouyer's time—or dime. So if you like honest, no-nonsense gonzo with lotsa pretty girls who love the dick, this is the title to snap up and whack it to. Just don't get addicted. After all, you ain't got Vinny's resources, or Rolodex.—B.C. 🐱

"LET'S TALK ABOUT BITCHES"

CHATSWORTH PICTURES/JM

RUNNING TIME: ??? minutes

DIRECTORS: Grip & Cram Johnson

SLUTS: Kirra Lynne, Kitty, Layla Rivera, Tara Lynn Foxx

It may seem crazy to some folks, but the human heart is a strange territory, a treacherous domain whose darkest crevices harbor mysteries no man can fathom. How else to explain the cuckold fetish that stalks pornography like a vengeful spectre? Grip and Cram, the Brothers Johnson, are like forensics investigators, tearing into the ripe viscera of the American soul to expose the kink that lurks within and, by doing so, offer clues to a greater understanding of how human sexuality works.

Let's Talk About Bitches is their latest academic study, the fruit of extensive research and painful hours of data collecting and analysis. One of their key subjects is the American pornographic actor Kyle Stone. Stone used to be a big name in the business, back when fuck-flicks were released on VHS and meat puppets actually memorized scripts. They lived by the code: *Thespians before lesbians, bro!* And life was good. Long ago, Stone tumbled down the food chain from boxcover boy to the mope line, and even has written a book about it: *From a Thrill to a Pill*, decrying the rising use of sexual empowerment drugs like Viagra and Cialis by a new breed of cock artist making its bones in the flesh trenches of Porn Valley. Stone's sense of humor is still intact, though, as is his willingness to embody the scientific findings advanced by the Johnsons. Here, there's a twist: Stone plays a proud papa forced to watch as his slut daughter has her prime young body sullied by the corrupt seed of urban ghetto-dwelling Negroes. And what a filthy and disgusting spectacle it is indeed. Tara Lynn Foxx, a prime Southern California blonde gives her beach bunny all as a cocksucking, dick-humping race-mixer, humiliating her faux-father with many a lustful gleam, emitting from her baby blues like laser beams of pure sexual energy.

Elsewhere, various other sad men take the couch to portray paternal figures degraded by genetic betrayal. But no one brings such panache to the role as Stone. Still, they get to suppress pseudo-incestual boners while watching gap-toothed honey Kirra Lynne, insane Asian midget Miss Kitty and booty Max Hardcore consort Layla Rivera hoover tar-slicked fuckbones and lap up the 'groid grease. Be glad it's not your daughter. —B.C.

LIVE GONZO

EVIL ANGEL VIDEO

RUNNING TIME: 233 minutes

DIRECTOR: Raul Christian

SLUTS: Sophia Santi, Chayse Evans, Tory Lane, Angelina Valentine, Clara G., Nika Noire and Mason Moore

We're glad this wasn't called *Dead Gonzo: The Steve Driver Story*, since that would not be very erotic. And we're glad it's not called *Double Live Gonzo*, since that would be about Ted Nugent, who is not someone who'd make us want to stoke our fearsome man-cannon. Although, suicidal samurai sword-wielding mopes and archery-obsessed, game-hunting, carnivore Tea Party rock stars...there's something there, right? Let's consult with War Machine and get our agent to page the suits. Showbiz history is made by the brave.

Since this double-disc set of lesbianistic exhibitionism is called *Live Gonzo*, we're otherwise out of luck. There's nothing to engage here but hot, filthy sluts waving monster rubber dongs at each other as all kinds of carpet-munching, ass-finger-ing, spit-slurping, goo-gushing, toe-sucking, toy-abusing and titty twisting. The bouts all are part of a regular webcast in which subscribers in cyberspace send in requests for various sexual behaviors. It's meant to be unpredictably interactive, but—seriously—you know what's going to go down. Skinny Chayse Evans takes on tattooed-up Sophia Santi. Sex freak Tory Lane ravages tattooed-up Angelina Valentine. Brooke Haven goes up against saucy Ukrainian import Nika Noire. Former contract goddess Sunny Leone goes pig-slut for Mason Moore, who's got more badass tattoos than anyone and self-terrorizes her own holes with more fervor than anyone else could ever manage. She's the very

definition of a hardcore gonzo chick, and we love it...we just don't want her to hurt us.

The upshot here is this: If porn can exist without a dick, then this is most definitely porn. The gals are definitely not fresh off the bus smelling of lilacs and spring dew, so if you want that look elsewhere. But if you're into hell-hardened harlots ready to break it down and hammer the living shit out of each other with every available tool at hand—while creepy pervs jack off on their keyboards from musty suburban basements—then *Live Gonzo* is your ticket to paradise.—B.C. 🐱

TEEN IDOL 7

SMASH PICTURES www.smashpictures.com

DIRECTOR: JIM POWERS

SLUTS AND PUPPETS:

**VICTORIA WHITE, EVA ELLINGTON,
VIN VERICOSE, JOEY BRASS**

27530

A full-page photograph of Victoria White in a locker room. She is nude, wearing a white halter-neck top, and is in a dynamic pose on a blue bench. A man is partially visible behind her, touching her buttocks. The background consists of purple lockers and a yellow wall.

Smash Pictures head honcho Stuart Wall has hired AVN Hall of Fame director Jim Powers to crank out porno that he can appreciate. Neither gentleman has to waste any time figuring out what works, because both have been sliming around Porn Valley for years and know what time it is smut-wise. Wall gave Powers free rein in imagining the scenarios that will play out in the seventh volume of his *Teen Idol* series because, among other things, he recognizes Powers' genius for the snap improvisation of the porno scene set-up.

"Stuart really likes little stories and the fantasy which is great and I'm good at it and that's why he wanted me," says Powers. "He appreciates good storytelling. He doesn't want just a stupid fucking thing. Stuart really appreciates good porno, unlike a lot of the companies who just want garbage out there."

VICTORIA WHITE: I'm twenty-two and I was born in Dallas, Texas and I moved out here when I was like five and I grew up in Valencia, California. In high school I was a cross country runner and I have a lot of endurance. Then I went to hair and make-up school. I do a lot of weddings still and I keep myself involved with that. I worked at a tanning salon for like four years all through high school and everything. I always had a job and was always doing for myself. I've been doing porn for about six months now. One of my friends was doing it with the same agency that I'm with and it just seemed like it would be really fun so I just kind of threw myself in there and I'm going all the way with it. It was great when I did my first scene. I was nervous but it wasn't to the point where I couldn't perform well. It was really cool though. I fucking love it now.

Wall casts the girls and today has come up with a couple ringers with different color schemes: Victoria White, tall and healthy looking, and Eva Ellington, cute, and dark haired. Both harbor deep currents of extreme sluttiness running beneath presentable exteriors. Neither requires added clean-up time or prison tattoo concealing attire to be an absolute hit with mom and dad at the next suburban family religious outing of your choice. That's the key right there. The saga of the U.S. (Unlikely Slut) is one of Manifest Destiny and the freedom to be you and me. We won't mark you unless you mark yourself. Do whatever the fuck you want. This is a great fucking country.

Powers is a major L.A Galaxy fan and has ad-libbed an MLS scenario for Victoria's scene.

"We're touching on all the stereotypes in teen culture," says Powers. "This is the soccer player who is going to fuck her coach who is actually a pro player but only makes \$18,500 a year. So on the side he has to coach the girls and what not. A lot of the players in MLS don't make a lot of money because it's not that popular, so they all have to coach and have side jobs and they share apartments in Redondo Beach. He's going to give her a little soccer training and grab himself a little soccer nookie right now. That's where the story picks up right here. We went out and shot a pick-up and now we're going into the locker room."

"I was a jock that liked to fuck," says Victoria. "In high school I wasn't that crazy and wouldn't have done a lot of the things I'm doing now, but that's because I wasn't fully okay with my body. I just wasn't there in the head yet. I was kind of a late bloomer. I never really dated that many guys."

Perfect! The bangout takes place on a wooden bench in a locker room on a large Valley soundstage.

"You're a horny fucking athlete," Powers tells her before shooting. "You're all over him. When you're fucking just keep the socks and shoes on."

White has taken to Vericose and it becomes more obvious during the fuck. After the BJ, Powers tells her to speak the line, "What do you think of my ball-handling?" HA HA HA HA!

Vin Vericose gets lots of quality pussy. In addition to banging out prime unlikely sluts like Victoria, he goes home to the extremely hot Andy San Dimas every night. Nice work if you can get it. It turns out that Victoria's appreciation of Vericose was not an illusion.

"Today Vin was awesome. He has so much energy and is a great guy," she says when it's all over. "It's always cool when you have someone that's nice who can pull off a passionate scene with you. He's going to be my new porn crush but I can't tell him. Andy is a lucky girl."

Eva Ellington is decked out in a cheerleader outfit complete with pom-poms. Powers puts her through an unrehearsed routine she remembers from her actual cheerleading days. Wow, real type-casting! No kidding! She'll be performing opposite Joey Brass on an "office" stage that is directly across from the "locker room."

"Mr. Brass caught the cheerleader smoking. She is obviously out of control," says Powers. "Now she's masturbating in his office. It really is the story of a tight-sphinctered authority figure and how she just lets him cut loose. It's kind of like watching the movie *Hair*. Remember when he is about to go into the army and he started taking drugs? This is a modern version of *Hair*. That's exactly what it is."

EVA ELLINGTON: I'm Italian. My father is full Italian and my mother is Italian, French Canadian and Irish, but the Italian is really dominant in me. DUH! I'm twenty-three and have been doing porn for about a year now. I got contacted through MySpace. This guy presented me with the offer to work for a site. I looked them up and saw they were a reputable company so I took the chance. I went on my first few shoots with them and everything went well. The money and the scenes were great. I found out that I was really comfortable doing it so I just kept pursuing it.

EVA: I was born and raised in Boston. I started flying out to Florida and then I decided to relocate there. I was living in Boca Raton and was working in Miami and just the first of the year I just moved out here to L.A. Before this I was a pre-school teacher. I have my degree in Early Childhood Education. I taught pre-school for a year and a half. The money wasn't really cutting it. Love it and everything, but.... Honestly, doing porn was one of those things that I never would have imagined. I really didn't know how to express any freakiness before and now I know how to express it better. It was a whole other lifestyle that I got introduced to. There are ups and downs just like any other job, but I like it and I'm young. You're only young once.

Brass bangs the living hell out of Eva atop a desk for about forty minutes. So many new porn girls are shamelessly obvious about watching the clock during their fuck scenes these days. It's getting so fucking boring. I mention to Eva during a break that, crazily enough, she seemed to be actually *enjoying* the fuck.

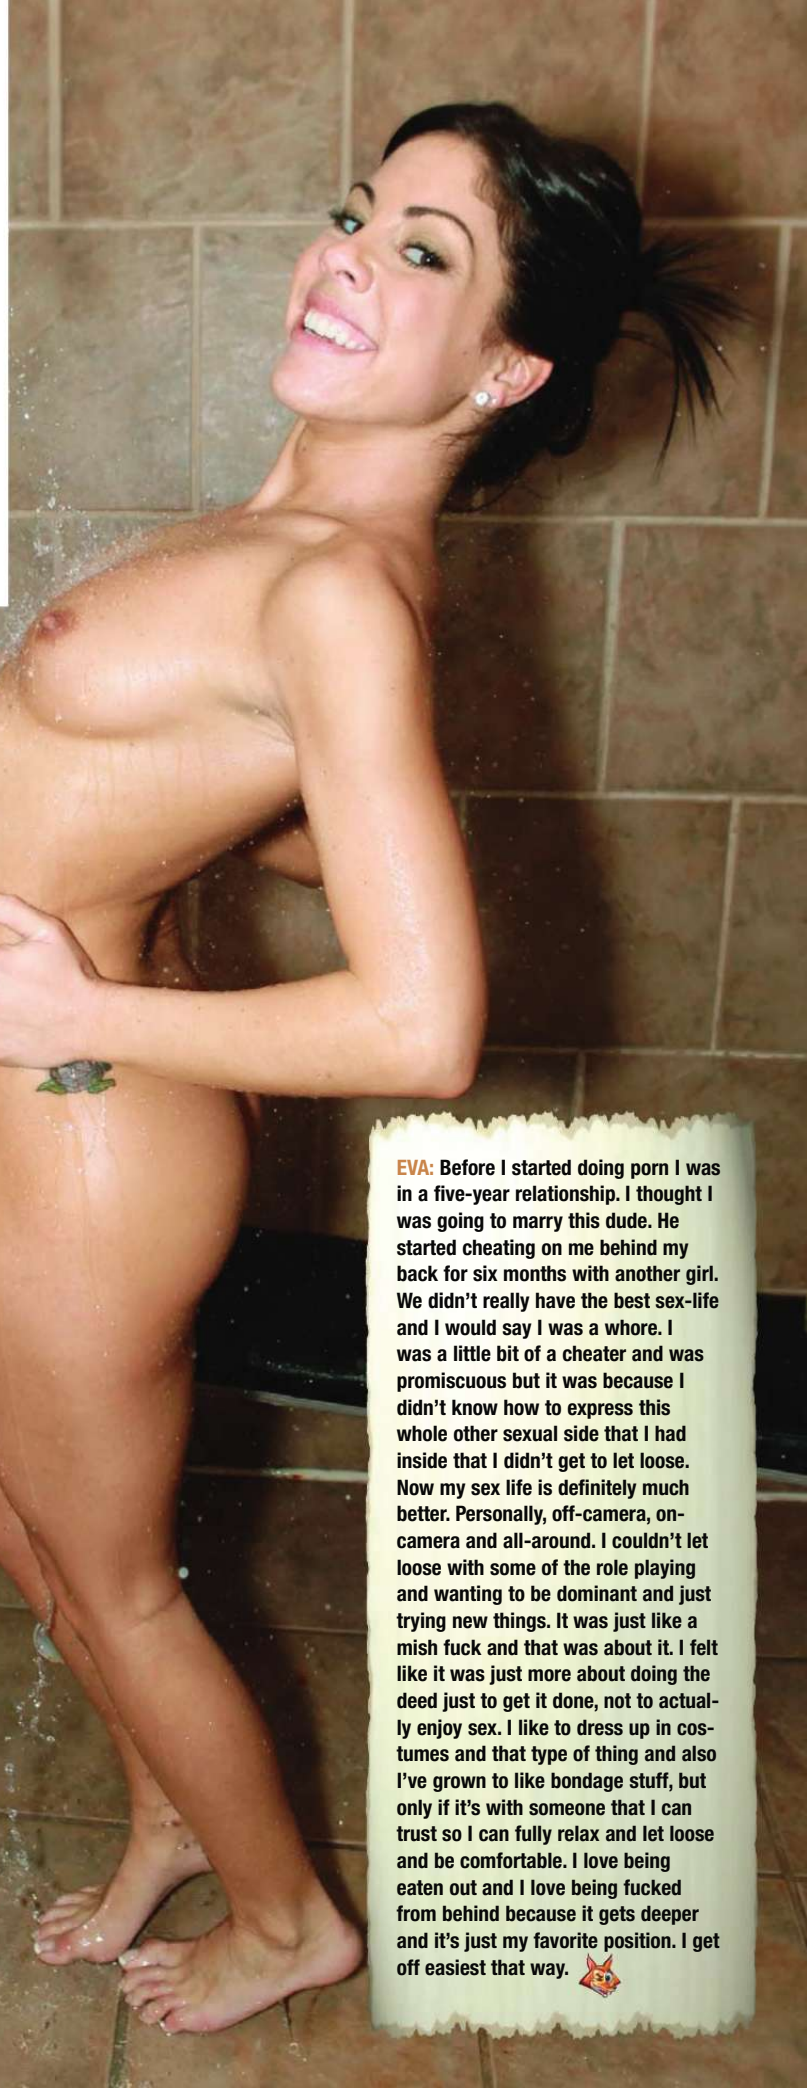

"Of course!" she says immediately. "Everyone fakes it. I don't! That's my job! How would I ever be a pornstar if I didn't like to fuck? That would be wrong!"

Damn right it would. Tell that to the current crop of porn hobbyists. Both of these girls were extremely good calls. There is some real lust left in Porn Land after all.

EVA: I went back to college last September and got another Associate's Degree in Liberal Arts because now I can't use my Early Childhood degree being in the porn industry, which sucks. Once they would do a background check they would see my alias and it would be like, *Scratch her off the list!* I want to eventually get a degree in Media Communications with a minor in Marketing.

EVA: Before I started doing porn I was in a five-year relationship. I thought I was going to marry this dude. He started cheating on me behind my back for six months with another girl. We didn't really have the best sex-life and I would say I was a whore. I was a little bit of a cheater and was promiscuous but it was because I didn't know how to express this whole other sexual side that I had inside that I didn't get to let loose. Now my sex life is definitely much better. Personally, off-camera, on-camera and all-around. I couldn't let loose with some of the role playing and wanting to be dominant and just trying new things. It was just like a mish fuck and that was about it. I felt like it was just more about doing the deed just to get it done, not to actually enjoy sex. I like to dress up in costumes and that type of thing and also I've grown to like bondage stuff, but only if it's with someone that I can trust so I can fully relax and let loose and be comfortable. I love being eaten out and I love being fucked from behind because it gets deeper and it's just my favorite position. I get off easiest that way. 🐱

There is no other director in porno today even remotely like Jay Sin. He transforms the probing of the female anal cavity into an innocent and playful science project. There is a great naivete in his approach that seems entirely unselfconscious. Jay Sin is not the pompous type. He calmly and systematically constructs exhaustive sojourns into deep anal space with careful thought and a willful attention to perversion that simply never lets up. He will call off a scene halfway through an expensive shoot day if there is a blemish on an asshole that he doesn't like. And he doesn't care about losing the money. Things have to be *right*. He takes his work very seriously.

DEEP ANAL ABYSS 3

EVIL ANGEL VIDEO www.evilangel.com

DIRECTOR:

JAY SIN

SLUT AND PUPPET:

JAYDA DIAMONDE, SEAN MICHAELS

He has flown in from Florida the unbelievable, internet-famous, anal acrobat Jayda Diamonde to do a series of taint stretching scenes. It's already late afternoon. Sean Michaels has been called in to save the day after another porn girl had an adverse reaction to the rubber toys. Jay Sin's *Deep Anal Abyss* line is just one of the primary colors he uses to fill out a variegated, ass-centric body of work for Evil Angel.

"I've always perved out on the internet finding different stuff," he says. "I've always been intrigued by girls who could put like twelve-inch—or even longer, like thirty-inch—toys in their ass completely and have it come out like a snake. I always liked that. The first *Deep Anal Abyss* that I made when I first started working with Evil Angel was really tough. I had to fly to Canada and Europe to get it done because there weren't too many girls that could do it. So if I shoot one a year I'm happy. Jayda is a champ, so it should be fun."

Light is fading and Jay Sin is anxious to get the show on the road.

Jayda Diamonde is relatively slight but has vaginal and anal elasticity that is off the hook. Jay shoots her in a tease and she pulls both her holes into huge gapes with ease. These are major caverns for a relatively small woman. Jayda Diamonde will blow you away...if you are into this sort of thing. Jay sticks a suction-cupped, enormous black rubber penis to a glass table. She squats on it and it disappears into her rectum, no problem. Then there's her big clit.

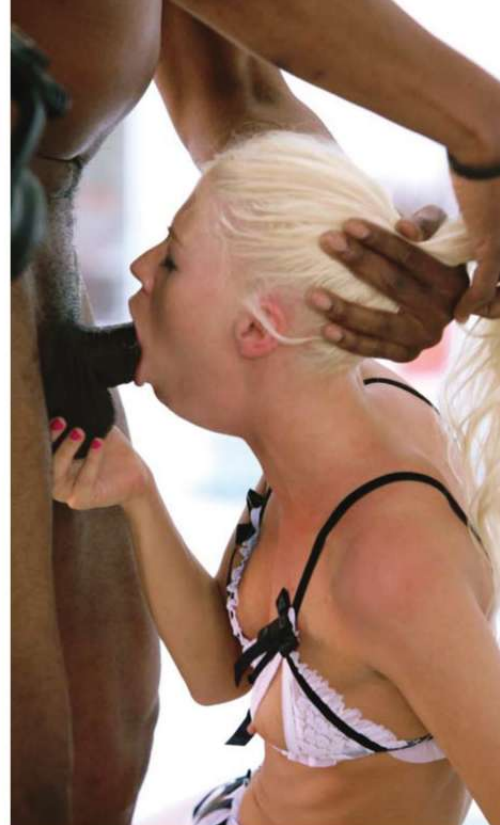

"I'm really embarrassed when I go to a water park," she says, laughing. "It sticks out about six inches. It's so big!"

There is a three-ring circus going on downtown and the sex hasn't even started yet. It's all very disorienting.

JAYDA DIAMONDE: "I started porn in 2006. I mainly do webcam now. I do live shows five days a week. I have become a complete anal freak. The feeling is absolutely amazing and I just want to go bigger and bigger every day. My goal is to take the biggest possible thing I can. My favorite part is that I am such a small girl and I take all these large things. I got long toys, fat toys and I pretty much do it all. I don't have guys on the website but I do enjoy big dick of course. I have no problem getting off on a regular cock, my holes just go back to normal after I stretch them out, they go right back. I love cumming from anal, it's totally a different kind of orgasm. It's so much stronger, deeper, it's amazing. I love sex rough and crazy. I love it fucking pounded in my ass as hard and deep as I can get it. I love my hair pulled, my ass spanked, pretty much all the crazy stuff. I love to be dommed. I'm not really sure why, but I like giving up control for a while."

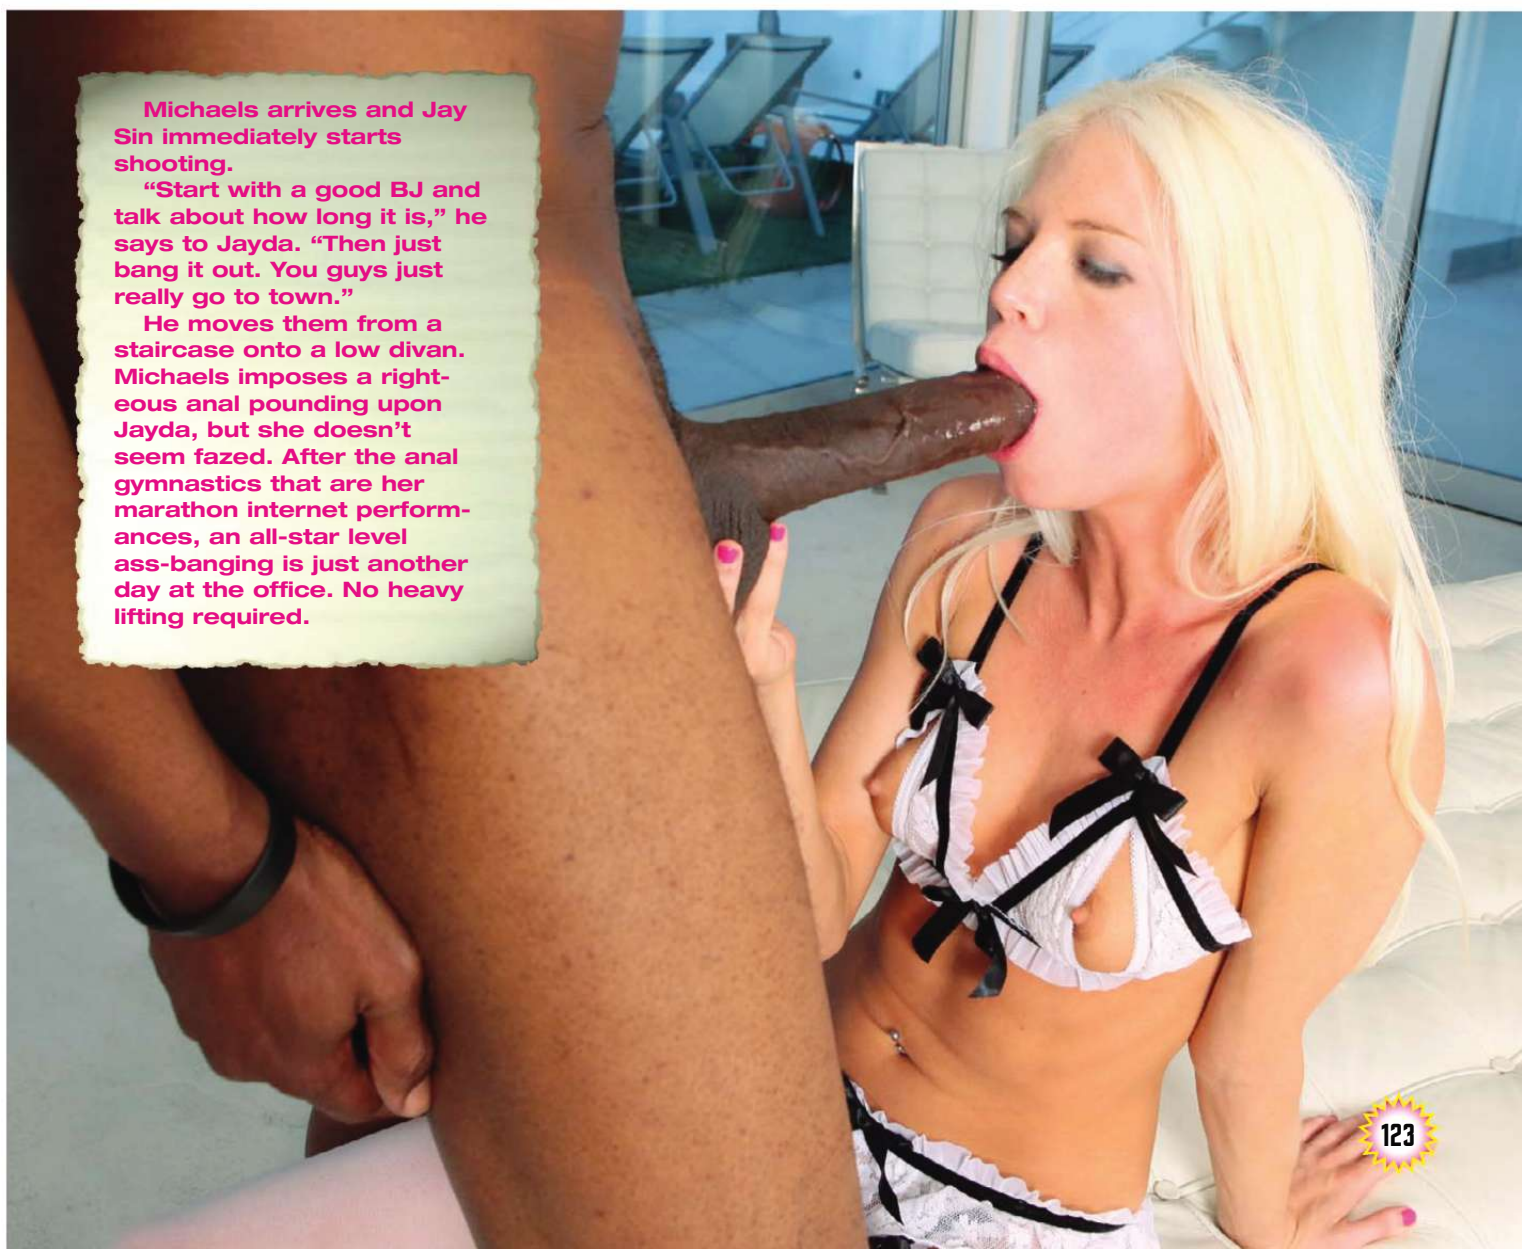

Michaels arrives and Jay Sin immediately starts shooting.

"Start with a good BJ and talk about how long it is," he says to Jayda. "Then just bang it out. You guys just really go to town."

He moves them from a staircase onto a low divan. Michaels imposes a righteous anal pounding upon Jayda, but she doesn't seem fazed. After the anal gymnastics that are her marathon internet performances, an all-star level ass-banging is just another day at the office. No heavy lifting required.

She throws a succession of huge anal gapes upon command and asks if Jay Sin wants some more. No problem. They wind up the scene when Michaels blows a load in her ass. Jayda Diamonde is physically predisposed for this anal psychosis. Few possess her physical capability for extreme penetration. It's an entirely new level of something. This is radical, crazy porno.

JAYDA: When I orgasm from anal it comes on immediately. I don't have a three minute period where I start to feel it. All of a sudden I feel it and ten seconds later I am cumming all over the place. I have a million toys at home. I have a utility shelving unit with three shelves. I have my tallest toys on the top shelf and then the fatter ones on the next shelf and then the smaller ones that I do, like, double anal and double pussy with. My first big toy was Bam. The way I learned to take big toys was by just lubing it and ramming it the fuck in. That was the end of it. My ass is like, *Yeah okay, just ram something in!* That second muscle is a bitch. You have like your inner and outer rings. I think my asshole gapes so easily because my inner is really, really tight. The air just gets trapped right in that first pocket. The guys go CRAZY over giant anal and giant gapes. That's exactly what my website is about. They come into my room and I'm really sitting in my house and they really get to see me do it live. It's fucking awesome. I do it 12 hours a day, 5 days a week. I've done double anal and double pussy at the same time. I think my body was kind of built to take it. I didn't use my first toy until I was fucking 20 years old!
